

USER MANUAL AND SAFETY DATASHEET

KKSB ASUS Tinker Edge R Case

EAN:7350001160870

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠️ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

KKSB ASUS Tinker Edge R Case features a powder-coated steel lid, and an anodized aluminium bottom, designed to provide durable protection for your ASUS Tinker Edge R board. The top of this Tinker Edge R enclosure has hexagonal holes for optimized airflow to support heat dissipation. The case has cutouts to access most of the interfaces and ports on the board so that there remains no need to remove the lid while you are working on your creative projects.

The KKSB Tinker Edge R case is designed to support accessories you may need to equip the board with. This case supports the KKSB DIN Rail Clip, KKSB ¼-20 UNC Thread as well as the KKSB Camera Holder. These accessories will optimize the functionality of your Tinker Edge R board to work on smart AI and IoT projects including but not limited to smart authorization, smart access, smart monitoring, face recognition, etc.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. While this product does not contain electromechanical components, proper disposal is still essential to minimize environmental impact.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the case to recycling facilities that accept metal or plastic materials and can properly process the case.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠️ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
