

USER MANUAL AND SAFETY DATASHEET

KKSB Asus Tinker Board and Tinker Board S Aluminium Case - Black and White

EAN:7350001161310

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

This KKSB Case is compatible with ASUS Tinker Board and ASUS Tinker Board S SBCs. It is a metal protective enclosure made of aluminium and its compact design makes it easy to carry and use in different settings. The cover of this Tinker Board S Aluminium Case has air vents at the top as well as above the SD card slot. These air vents support quick heat dissipation from the onboard fan and heatsink of the Tinker Board. The case is high enough to accommodate the standard Tinker Board fan or heatsink (not included). These air vents also make way for WiFi signal transmission so that wireless activities are not interrupted.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. While this product does not contain electromechanical components, proper disposal is still essential to minimize environmental impact.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the case to recycling facilities that accept metal or plastic materials and can properly process the case.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
