How to Assamble The KKSB Cases

<https://kksb-cases.com/pages/assembly-instruction-kksb-pine-a64-lts-v2-case>

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. While this product does not contain electromechanical components, proper disposal is still essential to minimize environmental impact.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the case to recycling facilities that accept metal or plastic materials and can properly process the case.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
