

USER MANUAL AND SAFETY DATASHEET

KKSB Odroid XU4 Case

EAN:7350001160153

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNING! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

This KKSB Odroid XU4 protective case is made of powder-coated aluminum, with the bottom powder-coated in white and the top in black, giving it a sleek and modern look. The KKSB Odroid XU4 aluminium case is a 2-piece enclosure, with walls that are flexible and easy to snap the lid and bottom together. The XU4 board is mounted on the bottom part with 4 screws, making it easy to install and remove. The case also features a blue anodized push button, making it possible to start the case easy from outside the case.

Detailed Product Information

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. While this product does not contain electronic components, proper disposal is still essential to minimize environmental impact.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the case to recycling facilities that accept metal or plastic materials and can properly process the case.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
