

USER MANUAL AND SAFETY DATASHEET

KKSB Raspberry Pi 4 Case | CNC Machined

EAN:7350001160634

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

This Raspberry Pi aluminium heatsink case is specifically designed for the Raspberry Pi 4, provides an optimal way to protect and cool your Raspberry Pi 4B. Made from aluminum and featuring a grey anodized color. The KKSB Raspberry Pi 4 Heatsink Case is a passive-cooling solution for your Raspberry Pi 4 board. This Raspberry Pi 4 enclosure is an effective silent cooling solution. The case features a built-in heatsink, which eliminates the need for a cooling fan, making it a perfect solution for those who want a quiet and efficient way to cool their Raspberry Pi 4B. The bottom of the case features rubber feet for optimal stability. The package also includes a couple of LED indicators, 4 rubber feet, and 4 screws to assemble the lid and the bottom.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. While this product does not contain electronic components, proper disposal is still essential to minimize environmental impact.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the case to recycling facilities that accept metal or plastic materials and can properly process the case.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
