EAN:7350001161808

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

Optimize your BeagleV Fire experience with the KKSB BeagleV Fire Case. This metal case features a transparent, crack-resistant polycarbonate cover for optimal visibility and wireless signal transmission. Designed specifically for the BeagleV Fire SBC, this enclosure features dedicated cutouts for ports, interfaces, and connectors, ensuring a precise and snug fit. It comes with integrated external start buttons, allowing quick and easy power control without opening the case.

Note: Electronics, BeagleV Fire SBC, HATs, Heatsink/Cooler, and KKSB Accessories are NOT included.

How to Assamble The KKSB Cases

<https://kksb-cases.com/pages/assembly-instruction-kksb-beaglev-fire-case>

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. This product contains electromechanical components that can be harmful if not disposed of properly.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the module to a designated electronic waste (e-waste) recycling facility.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
