EAN:7350001162041

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

This Raspberry Pi 5 metal case with the display stand offers superior protection while providing an optimized mounting solution for your display. This display stand with case is designed to work flawlessly with the Raspberry Pi 5 and the official Raspberry Pi Display 2. It also supports the official Raspberry Pi 5 cooler and most HATs, making it a versatile choice for various applications. An integrated external start button allows you to easily power your Raspberry Pi 5, eliminating the need to access internal components frequently.

Note: Electronics, HATs, and Cooler/Heatsink are NOT included.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, and to conserve natural resources, it is important that you dispose of the KKSB Cases responsibly. This product contains electromechanical components that can be harmful if not disposed of properly.

- Do not dispose of the KKSB Cases as unsorted municipal waste.
- Take the module to a designated electronic waste (e-waste) recycling facility.
- Do not incinerate or dispose the module in regular household waste.

By adhering to these disposal and recycling guidelines, you can help ensure that the KKSB Cases is disposed of in an environmentally responsible manner.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
