EAN:7350001162126

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠️ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

The KKSB Raspberry Pi 5 M.2 HAT Case is a robust and practical enclosure designed to protect and enhance your Raspberry Pi 5 setup. Made from sandblasted, black anodized aluminum, it combines durability with a clean, modern design for reliable long-term use.

Designed for expandability and performance, the case supports NVMe HATs and the official Raspberry Pi AI HAT, with spacers included for secure installation. Ventilation slots on both sides and a 40-pin stackable header ensure full compatibility with the official Raspberry Pi 5 cooler, maintaining proper airflow between the cooler and HAT.

NOTE: Raspberry Pi 5, NVMe HATs, AI HAT, and Official Raspberry Pi Cooler/Heatsink are NOT included.

How to Assamble The KKSB Cases

<https://kksb-cases.com/pages/assembly-instruction-kksb-raspberry-pi-5-m-2-hat-case>

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, this product must be disposed of responsibly:

- Do not dispose of this product with unsorted household waste.
- Recycle structural components (metal/plastic) at local recycling facilities.
- Dispose of electromechanical components (if applicable) through designated electronic waste (e-waste) collection points.
- Always comply with applicable national and regional waste disposal regulations.

For further guidance, consult your local waste management authority.

⚠️ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
