

USER MANUAL AND SAFETY DATASHEET

KKSB 19-Inch 1U Rack Panel for Raspberry Pi

EAN:7350001162133

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

The KKSB 19-Inch 1U Rack Panel for Raspberry Pi is a space-efficient solution for mounting multiple Raspberry Pi boards in standard rack environments. It allows up to five Raspberry Pi boards to be securely installed while maintaining clear access to all essential connections.

Built from steel with a black textured powder-coated finish, the panel provides a rigid and reliable structure suitable for both industrial installations and home or development environments.

NOTE: Raspberry Pi boards, HAT modules, and cooling components are not included. This product is a rack panel only.

How to Assamble The KKSB Cases

<https://kksb-cases.com/pages/kksb-19-inch-rack-1u-for-raspberry-pi>

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, this product must be disposed of responsibly:

- Do not dispose of this product with unsorted household waste.
- Recycle structural components (metal/plastic) at local recycling facilities.
- Dispose of electromechanical components (if applicable) through designated electronic waste (e-waste) collection points.
- Always comply with applicable national and regional waste disposal regulations.

For further guidance, consult your local waste management authority.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
