

USER MANUAL AND SAFETY DATASHEET

KKSB 10-Inch 2U Rack Panel for Raspberry Pi

EAN:7350001162218

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

The KKSB 10-Inch 2U Rack Panel for Raspberry Pi is a compact and efficient mounting solution designed for structured installations in small rack environments. It allows up to 4 Raspberry Pi boards to be mounted securely while maintaining clear access to all essential connections.

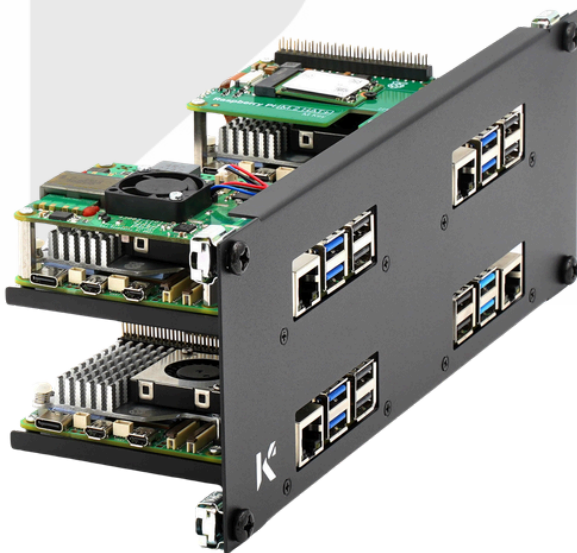

Built from steel with a black textured powder-coated finish, the panel provides a rigid and reliable structure suitable for both industrial systems and home or development setups.

NOTE: Raspberry Pi boards, HAT modules, and cooling components are not included. This product is a rack panel only.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, this product must be disposed of responsibly:

- Do not dispose of this product with unsorted household waste.
- Recycle structural components (metal/plastic) at local recycling facilities.
- Dispose of electromechanical components (if applicable) through designated electronic waste (e-waste) collection points.
- Always comply with applicable national and regional waste disposal regulations.

For further guidance, consult your local waste management authority.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
