KKSB Panel Mount Case for Raspberry Pi 5 & Display 2 (5inch)

EAN:7350001162232

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

The KKSB Panel Mount Case for Raspberry Pi 5 & Display 2 (5 inch) is a slim, metal enclosure designed exclusively for flush installation into panels or walls. With a flat front profile and integrated mounting ears, the case is intended for professional, fixed installations where the display becomes part of a larger system or surface.

The case is specifically made for panel mounting applications and cannot be used as a standalone enclosure. Installation requires the user to create a cutout in the panel or wall. To ensure a precise fit, drawings and a 3D model are provided, allowing accurate preparation before installation.

NOTE: Raspberry Pi 5, Official Raspberry Pi Display 2 (5-inch) and Official Raspberry Pi Cooler/Heatsink are NOT included.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, this product must be disposed of responsibly:

- Do not dispose of this product with unsorted household waste.
- Recycle structural components (metal/plastic) at local recycling facilities.
- Dispose of electromechanical components (if applicable) through designated electronic waste (e-waste) collection points.
- Always comply with applicable national and regional waste disposal regulations.

For further guidance, consult your local waste management authority.

⚠ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
