KKSB Case for Raspberry Pi 5 – Tall Aluminum Enclosure for Dual HATs & NVMe HATs

EAN:7350001162249

Read before use

This document contains important technical and safety information about the device, and its safety use and installation

⚠️ WARNINGS! WARNING: CHOKING HAZARD-SMALL PARTS. NOT FOR CHILDREN UNDER 3 YEARS

Product Introduction

The KKSB Tall Case for Raspberry Pi 5 is designed for users who need more space, flexibility, and performance from their setup. With support for dual HAT installations and compatibility with most NVMe HATs, this enclosure is ideal for expanding your Raspberry Pi 5 beyond standard configurations.

Built from sandblasted black anodized aluminum with a powder-coated steel frame, the case offers excellent durability and a premium finish. The case includes a 40-pin stackable header, allowing you to use the official Raspberry Pi 5 cooler while maintaining proper airflow between the cooler and installed HATs.

NOTE: Raspberry Pi 5, NVMe HATs, and Official Raspberry Pi Cooler are NOT included.

Standards for Inclusion: RoHS Directive

This product meets the requirements of the RoHS Directive (2011/65/EU and 2015/863/EU) and the UK RoHS Regulations (S.I. 2012:3032).

Disposal and Recycling

To protect the environment and human health, this product must be disposed of responsibly:

- Do not dispose of this product with unsorted household waste.
- Recycle structural components (metal/plastic) at local recycling facilities.
- Dispose of electromechanical components (if applicable) through designated electronic waste (e-waste) collection points.
- Always comply with applicable national and regional waste disposal regulations.

For further guidance, consult your local waste management authority.

⚠️ WARNING! Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
